10th September 2026

Dear Parents and Carers,

Mobile Phones on Site

I am writing to let you know that mobile phones are **not** allowed to be used on site at any time. We appreciate your support in helping us keep this rule clear and consistent for everyone in our school community.

Why this matters for our children

Active Supervision
Active supervision matters. The playground is a busy place during pick up and drop off. Staying off devices means that your full undivided attention is on keeping your child safe.

Privacy and Protection
We are committed to protecting the privacy of every pupil. We want to make sure that no child is ever accidentally captured in a photograph or video while on school grounds. Even background photography or recording within the school gates can raise concerns for families, and we want to avoid this completely. A no-phone rule on site helps us protect every child's privacy and dignity.

Setting a Great Example
We believe children learn from the example set by the adults around them. By keeping phones away, we are modelling healthy real-world communication and positive interactions for the next generation. Children benefit when they see adults speaking face to face, making eye contact and being fully engaged with the people in front of them.

A Warm Welcome
We also know that class dismissal is a milestone for your children. It is the moment they come out of school ready to share their day and see a familiar face waiting for them. Being fully present to greet them with a smile lets them know they are your absolute priority. That warm welcome at the end of the school day matters, and we want to protect that special moment.

Thank you for your understanding and support with this expectation. We are grateful for your cooperation in helping us maintain a safe, respectful and child-centred environment. Thank you once again for your support.

Miss Daly
Acting Deputy Head Teacher
