Year 6 SATS Booster Sessions

Dear Parents/Carers,

We will be conducting SATS booster sessions for Year 6 pupils throughout the year to further prepare them for their upcoming SATS examinations in Term 5. The results of these examinations will be shared with pupils' future secondary schools to help assess their academic abilities and identify any potential gaps in their primary education. **It is essential for your child to attend one of the sessions listed below to enhance their preparation and improve their chances of success in the exams.**

During these SATS booster sessions, students will complete SATS past paper questions, review key learning areas, or participate in a writing exercise to support the identification of potential errors and areas for improvement.

Please complete the preference slip below and return it to their class teacher or the school office by **Monday, 13th October**. A confirmation slip will be provided to indicate which session your child has been allocated by the end of the school term with the **sessions starting Wednesday 29th October**. Please note that spaces are limited for each session, and in the event of oversubscription, places will be allocated on a first-come, first-served basis. **Your child is only required to attend one session.**

Thank you for your continued support.

Yours sincerely,

Mrs B Brackenbury
UKS2 Leader & Year 6 Class Teacher & Maths Subject Leader
