Wednesday 8th October 2025

Dear Parents and Carers,

As part of the Year 4 curriculum, your child will soon be taking part in the *Multiplication Tables Check* – a national assessment aimed at helping children become more confident in their times tables. To support your child and ensure they feel fully prepared, we are excited to share that our Times Tables Club will be up and running in Term 2 with the first session beginning **28th October 2025**.

We have a number of clubs on offer, to ensure that all year 4 pupils get the opportunity to attend. The club will provide a fun, supportive environment where students can practice their times tables through a variety of activities and games, building confidence and fluency in their times table knowledge.

We encourage all Year 4 children to take part in the Multiplication Tables Club. This club will be running until the Multiplication test takes place in June. We will offer places to attend the club termly. We will be devising a time table for all children to have a chance to attend, either on a Monday, Tuesday or a Thursday.

The times table club days are as follows:

Monday – Lunch time
Tuesday – After school
Thursday – After school

If you are interested in signing your child up for the afterschool club, please email Miss O'Reilly at oreie048@mastacademy.co.uk to secure your child's space, stating which day you would prefer.

If your child does not attend after school club, they will be required to attend lunch time club instead.

Your child is welcome to attend more than once a week.

Yours sincerely,

Miss Ellen O'Reilly
LKS2 Phase Leader

Our All Saints family shall **ARISE** and shine for the light of The Lord is upon us
