Dear Parents/Carers,

I am writing to remind you of our school policy regarding toys and pencil cases.

It has come to our attention that many students have been bringing toys and pencil cases to school. We kindly ask that such items be left at home, as they can significantly impact students' behaviour and result in lost lesson time. To ensure that our learning environment remains focused and conducive to education, any toys or pencil cases brought to school will be collected and returned to parents or carers at the end of the day. We wish to reassure you that the school is fully equipped with all the necessary resources for your child's learning.

Additionally, I am pleased to inform you that our school has been fortunate to purchase numerous new reading books over the summer. We take great pride in our reading materials and expect students to treat them with care. Should any books be damaged or fail to return to the school, we will unfortunately have to issue a bill to parents or carers for the replacement costs. Your support in this matter is greatly appreciated and will aid us in fostering a positive reading culture within our school.

Thank you for your attention to these important matters. Your cooperation is vital in ensuring that our school remains a productive environment for all students. Should you have any questions or concerns, please do not hesitate to contact me.

Yours sincerely,

Miss Daly
