Wednesday 8th October 2025

Dear Parents/Carers,

To celebrate the end of our topic's learning, Frozen Kingdoms, **St. Martha, St. David & St. George** will be visiting the **Natural History Museum in London**. Pupils will be given the opportunity to consolidate their learning over the past two terms, which covered the geographical areas of the Antarctic and Arctic Circle.

Pupils will explore exhibits that bring polar science to life. They will examine real specimens of animals such as penguins, polar bears and seals, and learn how each species has adapted to survive in extreme cold environments. Interactive displays and hands-on activities will help pupils investigate climate change, ice formation and the impact of global warming on polar ecosystems. In the museum's Earth and ecology galleries, pupils can study fossils, rocks and ice cores that reveal how the polar regions have changed over time. These experiences allow pupils to connect classroom learning with real-world scientific evidence, deepening their understanding of geography, habitats and environmental sustainability.

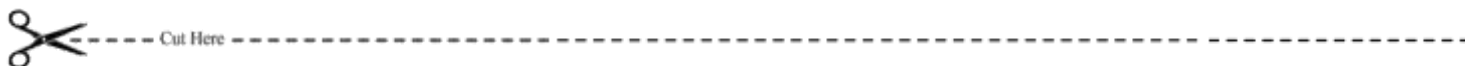

This trip is due to take place on **Wednesday 3rd December**. We have provided foreseeable time in order to support parents/carers in paying the contribution to this trip of **£13.50 per pupil**. This is now live, payable through **ARBOR** and will be needed by **Friday 21st November**. Should we not have enough contributions, this trip will be cancelled.

We look forward to celebrating the achievements of pupils through this educational outing. A further letter with additional details will be sent out sooner to the time; however, **children must be picked up by an adult on their return from the trip at 5:30pm**. If you wish for your child to participate in this event, please complete payments via **ARBOR** and return the slip below to **your child's class teacher**. If you have any questions concerning this, please contact the office or your child's class teacher.

Thank you for your continued support.

Yours sincerely,

Mrs B Brackenbury
UKS2 Phase Manager, Maths Manager & Year 6 Teacher

I give permission for my child _____ to attend this trip to the **Natural History Museum on Wednesday 3rd December**.

I can confirm that the contact details and medical information stored with school are up to date.

Date _____

Signed _____

Our All Saints family shall **ARISE** and shine for the light of The Lord is upon us
