Dear Parents/Carers

I am writing to remind you of the importance of ensuring a safe and orderly environment for all children at the end of the school day. We kindly request that parents collect their children promptly and leave the playground area immediately after doing so.

Due to the large number of people on the playground and to avoid any accidents, it is essential that children do not run around or use the play equipment during this time. This measure is in place to guarantee the safety of all individuals present on the school site. If you are waiting to collect another child or wish to speak with a class teacher, we ask that your child remains by your side.

We appreciate your cooperation with this.

Thank you.

Best wishes
Nicola Milton
