Dear Parents and Carers,

We would like to let you know that, today we welcomed our local Police Community Support Officer (PCSO) into school to lead an assembly with the children. During this assembly, the PCSO talked to the children in an age-appropriate way about what a lockdown is, why a lockdown may sometimes be needed, and how we help everyone stay safe in school.

We understand that, whilst this may sound worrying, we would like to assure you that the assembly content was calm, sensible and reassuring. The aim was to help children feel informed and confident, without causing unnecessary concern.

To support this learning, we will also be holding a lockdown drill practise in school before the end of term 6. This will give the children an opportunity to practise what to do and help us ensure that our procedures are familiar and well understood. Staff will guide the children carefully throughout the drill, and it will be carried out in a calm and supportive manner.

If you have any questions or would like to discuss this further, please do not hesitate to get in touch with the school office.

Thank you for your support.

Mrs N. Milton
Head of School
