Dear Parents/Carers

We would like to kindly remind all parents and visitors that, when entering the school office or school grounds, courtesy and respect should be shown to all members of staff and to one another. Our school is a welcoming environment, and we value the positive relationships we build with families, children and the wider community.

As a Church of England school, we believe it is especially important that we model the values and behaviour we expect from our children. This includes demonstrating kindness, patience, politeness and self-control in all interactions. The example set by adults has a powerful impact on children, and we want every child to see these values lived out consistently in our daily school life.

We ask that all conversations with staff remain respectful and considerate, even when concerns or questions arise. Our office team and wider staff are always pleased to support families, and we appreciate all communication being carried out in a calm and courteous manner. By working together in this way, we help to maintain a safe, positive and supportive atmosphere for everyone. We also remind parents and visitors to be mindful of all pupils on site and to help us uphold the high standards of behaviour expected within our school community. Respect for others, thoughtful language and appropriate conduct are essential to ensuring that our school remains a place where everyone feels valued and secure.

Thank you for your continued support in helping us to promote a respectful and compassionate school community, rooted in Christian values.

Best Wishes,  
Mrs N Milton  
Head of School

**Our All Saints family shall ARISE and shine for the light of The Lord is upon us**
