Friday 4th September 2026

Dear Parents and Carers,

As we begin the new term, I would like to remind you that our school is a nut-free site. This means that no food containing nuts should be brought into school under any circumstances. We ask that you carefully check all packed lunches and snacks before they are sent into school.

In addition, please ensure that any items brought on to the school site do not contain nuts or nut traces. This includes products such as conkers and acorns, which may also cause allergic reactions in pupils with nut allergies. We would be grateful if you could take extra care when selecting items for your child to bring into school.

Your support in helping us maintain a safe environment for all pupils is greatly appreciated. We understand that this is an important consideration for many families, particularly for children with allergies. By following this guidance, you are helping us to protect the health and wellbeing of everyone in our school community.

Please also ensure that this reminder is shared with anyone who may prepare food for your child. Thank you for your continued cooperation and support.

Kind regards,

L Daly
Acting Deputy Headteacher

Our All Saints family shall ARISE and shine for the light of The Lord is upon us
