

BRITISH VALUES POLICY

All Saints Church of England Primary
School

Approved	Date: October 2025
Review	Date: October 2026

Our All Saints family shall arise and shine for the light of The Lord is upon us.

All of our policies are written with the aim of improving our school and of realising our Christian vision:

Our vision underpins every document, procedure and decision made within our setting. We are committed to enabling all members of our community to flourish and to ensuring that even in the darkest of times, when we follow the word of God, we can all live out our values to **ARISE** (achieve, respect, include, support and enjoy) when at school and **SHINE** long into our future.

Based on the teachings of Isaiah 60:1

Our government believes that, 'British society is founded on fundamental values and principles, which all those living in the UK should respect and support. These values are reflected in the responsibilities, rights and privileges of being a British citizen or permanent resident of the UK. They are based on history and traditions and are protected by law, customs and expectations.

We support the values of democracy, rule of law, individual liberty, mutual respect and tolerance of different faiths and beliefs and these are embedded within our curriculum. At All Saints School we embed the values of Achieve, Respect, Include, Support and Enjoy into our daily lives as our school motto and our 'school rules also support a school, which is kind and caring to one another.

Assemblies and RE lessons are planned, to teach the children about our values, respecting similarities and differences. We aim to empower children to have a voice and to stand up against discrimination, valuing equality, tolerance and mutual respect. The topics and lessons in the school's curriculum are designed carefully and planned by teachers to provide contextual learning experiences that broadens understanding of the country we live in that will have a positive impact on pupils' spiritual, moral, social and cultural development. Whilst focusing on all children developing good skills in English and Maths and all subjects, we ensure they experience extra-curricular clubs such as music, a variety of sports, the arts and outdoor learning, including residential trips. Visits are planned linking with termly themes to provide children with further understanding of the world they live in. We also link with other schools to take part in singing and sporting events. Competitions provide the opportunity for children to meet other children from different schools whilst experiencing the process of decision making and understanding rules and fairness.

As part of our work our staff are trained to challenge any extremist views that are contrary to fundamental British Values from pupils, colleagues and parents.

Our All Saints family shall arise and shine for the light of The Lord is upon us.

All Saints British Values Policy

Being part of Britain

As a school, we value and celebrate the diverse heritages of everybody at All Saints. Our school community is home to a vast collection of faiths, ethnicities and beliefs. We celebrate this unique diversity in many ways including Cultural Carnivals where all families and children are encouraged to share their family customs, cuisines, traditions and clothing. Regular workshops are held that enable the children to experience elements of different cultures and perform to their families and the rest of the school.

Alongside this, we value and celebrate being part of Britain. In general terms, this means that we celebrate traditions and customs in the course of the year; for example, Patron Saints Days and celebrations at Christmas. We also value and commemorate national events such as Remembrance Day.

Further, children learn about being part of Britain from different perspectives. Two specific examples of when we teach about being part of Britain are:

Geographically: Our rivers, coasts and seaside based themes ensure that children have a better understanding of what Britain is, learning more about:

- its coasts, rivers and mountains
- where Britain is in relation to the rest of Europe and other countries in the world

Historically: Key moments in British history are studied in the topics such as The Victorians and the role that Britain played in World War II. We also take pride in studying our local area.

Democracy

Democracy is embedded in the school. Pupils are listened to by adults and are taught to listen carefully and with concern to each other, respecting the right of every individual to have their opinions and voices heard. We encourage pupils to take ownership of not only their school but also of their own learning and progress. This encourages a heightened sense of both personal and social responsibility and is demonstrated on a daily basis by our pupils. The democratically elected School Council provides a more formal platform for class representatives to raise issues and suggest fundraising ideas. The older children also get the opportunity to help the youngest pupils in the school eg, walking them up to the local church at collective school worship events.

Parents' opinions are welcomed at All Saints through methods such as questionnaires and feedback at parents' evenings

The rule of law

The whole school was involved in creating our All Saints school rules, empowering the

Our All Saints family shall arise and shine for the light of The Lord is upon us.

All Saints British Values Policy

children to understand the importance of rules. The importance of law, whether they be those that govern the class, the school, or the country, are consistently reinforced throughout regular school days; when dealing with behaviour and through school assemblies. In order to help children understand how society cannot operate without a set of laws, we teach them how our school rules create an ordered, fair and safe place in which to learn. The class rules are agreed by the children and are displayed in classrooms. We help children to distinguish right from wrong and adopt restorative justice approaches to resolve conflicts. The school's structured Golden Rules Behaviour traffic Lights system teaches the children that there will be consequences for their behaviour and that if they make the right choices they will be rewarded e.g. raffle tickets (individually) and a termly class reward for the whole class.

Visits from the police to talk to the children encourage pupils to understand that the law protects us and is essential for our well-being and safety.

Individual liberty

Our children have the opportunity to make individual choices and express opinions that develop their character and self-belief. However, they are encouraged to develop these qualities in the context of the rights and needs of other members of our school community. We model freedom of speech through pupil participation in class in the context of a safe, fair, supportive and ordered learning environment. We discuss and challenge stereotypes and implement a strong anti-bullying culture.

Pupils have key roles and responsibilities in school e.g. school council. Pupils are encouraged to know, understand and exercise their rights and personal freedoms and advise how to exercise these safely, for example through our E-Safety lessons. Whether it is through choice of challenge, of how they record, choose their lunch options, or participation in extracurricular clubs and opportunities etc., pupils are given the freedom to make choices.

Mutual respect and tolerance of those with different faiths and beliefs

Respect is one of the core values. Children are encouraged to respect themselves and to respect individual differences. This is a fundamental principle that is put into practice in the classroom, around school, in the playground and in assemblies. We are lucky to have a diverse school community encompassing different languages, backgrounds and faiths. We help our children to acquire an understanding of, and respect for their own and other cultures and ways of life. We celebrate the languages spoken by some children in the school and the festivals celebrated by some of our families, visit different places of worship and welcome visitors who can widen our children's horizons even further. Our philosophy lessons encourage regular discussions and debate, this encourages our pupils to respect the views and beliefs of others.

We follow the agreed RE syllabus of the Diocese of Rochester, which provides a broad and balanced education on a range of faiths, religions and cultures.

Our All Saints family shall arise and shine for the light of The Lord is upon us.
