Total	<ul style="list-style-type: none"> • £61,810

Monitoring and Implementation

Area	Challenge	Mitigating action
Teaching	Finding enough time for staff professional development	Use of INSET days and additional staff meeting times
Targeted support	Staff attendance levels need to be high to free up adults for targeted intervention work	Increase number of teachers within the school to cover staff absence and invest in tutors from NTP for intervention work
Wider strategies	Families must engage with school staff and with school values in order to improve the learning/ well- being of their children	Highlight the role of the Pupil Support Team within the school community and make ourselves visible /approachable thereby removing any pre- conceived ideas that parents may have formed from their own school experiences which may have been negative.

Part B: Review of outcomes in the previous academic year

This details the impact that our pupil premium activity had on pupils in the 2021 to 2022 academic year.

Please note some national data has not yet been published so 2019 stats have had to be used.

Aim	Outcome
<p>Teaching priorities:</p> <ul style="list-style-type: none"> To provide 100% good or better teaching in reading, writing and maths across the school 	<ul style="list-style-type: none"> Teaching at the end of the year was judged to be 100% good or better than good. Resulting in the school achieving the following: Above national in FS GLD (according to 2019 stats) Above national in Y1 phonics reading (according to 2019 stats) Well above national in Y2 phonics (according to 2019 stats) Above national in in KS1 reading and maths and in line with national for writing (according to 2019 stats) Above national in KS2 writing and in line with national for reading and maths (according to 2019 stats) KS2 GDS was above national in reading and significantly above national for maths (according to 2019 stats) The gap between KS2 combined and national was significantly reduced.
<p>Targeted academic support:</p> <ul style="list-style-type: none"> To accelerate the progress/attainment of all disadvantaged children across the school 	<ul style="list-style-type: none"> The progress and attainment of PP children was accelerated over the year. A summary of PP achievement data at the end of the year follows: PPs were above national PPs in Y1 phonics reading (according to 2019 stats) PPs were significantly above national PPs in Y2 phonics (according to 2019 stats) PPs were above national PPs in KS1 reading and maths and in line with national PPs for writing (according to 2019 stats) PPs were in line with national PPs in KS2 reading, writing and maths (according to 2019 stats)
<p>Wider strategies:</p> <ul style="list-style-type: none"> To remove social/emotional barriers to learning for identified children To improve the safety/wellbeing circumstances of home situations for identified children 	<ul style="list-style-type: none"> Social/emotional barriers to learning have been reduced for identified children who have been able to work in our alternative provision class setting throughout the year, where they have learnt self-regulation and interaction skills enabling them to be taught in mainstream classes as much as possible and make good academic and emotional progress. The safety/ wellbeing of identified children has been improved due to the

<ul style="list-style-type: none"> • To improve attendance rates for identified children • To improve cultural capital for identified children 	<p>appointment of a student social worker, a mental health practitioner and the extension of the pupil family support worker's hours.</p> <ul style="list-style-type: none"> • Due to the strict monitoring systems that have been in place for persistent absence this year, overall PP attendance is the same as non PP attendance at the end of the year (93.8%) which is above national. • Consistently higher outcomes in all year groups across the school evidence that the new school curriculum has engaged pupils across the school well. Events in the school calendar such as cultural Christmas and the end of year Cultural Carnival have enabled all pupils to celebrate diversity. Funding pupil attendance at residentials, breakfast club, music lessons and tuition sessions has improved cultural capital and feelings of inclusion for identified pupils.
