## Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety	
N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. <b>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</b>	
What percentage of the 21/22 Year 6 cohort swam competently, confidently and proficiently over a distance of at least 25 metres by the end of the year? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2022. Please see note above	75%
What percentage of the 21/22 Year 6 cohort used a range of strokes effectively by the end of the year [for example, front crawl, backstroke and breaststroke]? Please see note above	33%
<b>What percentage of the 21/22 Year 6 cohort performed safe self-rescue in different water-based situations at the end of the year?</b>	100%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	No
