

Curriculum Challenge

Term 5

National space day 01.05.2026

NASA has discovered a new planet! Your job is to explore it and report back.

You could:

- Create a Planet
- Invent Life Forms
- Design/plan a space mission
- Write a diary entry as an astronaut
- Write a story
- Create a comic strip.
- Design your space suit.

Our top space explorers will win an exciting Junior Astronaut Award Pack – the ultimate prize for creativity and imagination!

Deadline: 18th May 2026
