Curriculum Topics and Duck Diaries

All About Me - so far we have been talking about who we are and what we look like as well as our favourite things. Next week we will be exploring our families and who is part of our own. Please can you send in a family photo either by email or in your child's bag, so we can look at these together. The following weeks we will be exploring our homes and friends as well as talking about what makes us special. If you could have some conversations at home about these this can help the children share their thoughts in school.

We have already started our **Duck diaries** for our Values award winners. These will be going home with a different child each week where they can write about their weekends and share this in class. You are welcome to print photos to add in or the children can draw a picture.
