Attendance	Behaviour
Attendance at school is essential for the children's academic education, social, emotional, well-being and development.  Expected attendance means having no more than seven days off this school year!	In UKS2, the children are expected to come into school by themselves each morning and organise themselves at the start of each day. They will be expected to conduct themselves well, follow adult instructions and work towards our four golden rules. These are : • We stay seated • We listen to each other • We use indoor voices • We are organised for our learning
