✨ CELEBRATE THE WORLD! ✨

WINTER FESTIVALS CREATIVE CHALLENGE

People around the world celebrate special festivals in different ways. Some celebrate their faith, some celebrate the changing seasons, and others welcome a new year.

Choose a winter festival or celebration from anywhere in the world and create something that teaches us about it.

You could create a piece of artwork, write a story or poem, make a model, design a decoration, produce a fact file, compose music or invent your own creative way to celebrate!
The choice is yours — let your imagination travel around the world!
Winners will recieve prizes!

Deadline: Monday 15th of December 2026
