Take a walk around your house, make a list of what you think we wouldn't have without the inventions of the Sumerians and Egyptians?

90p

Research Egyptian hieroglyphics and create a secret message and key for someone to decode.

65p

Create a 3D model of an Egyptian Pyramid and research and write a report about buildings in ancient times.

91p

Sit outside and practice some basic yoga and mindfulness. Look at YouTube videos to help you.

58p

Collect autumn finds from nature and create a nature collage using leaves, twigs, acorns and other such things.

51p

84p

Write a free verse poem about autumn, think about the weather, colours, activities and special events such as Guy Fawkes Night, Halloween or Diwali.

87p

Take an autumn walk with your family and take pictures of your seasonal finds. Write a diary and tell me, how does nature change each season?

54p

Snuggle under a blanket and watch a movie with your family. Write a review of the movie and add pictures of your experience!

Research the online collections of The British Museum or The Met Museum to view other artefacts from ancient Sumer, ancient Egypt or the Indus Valley.

65p

Use the internet to find out about pharaohs of ancient Egypt. Choose two that you find interesting, draw a picture of them, record the dates of their reign and write a fun fact about each one.

99p

Geocaching is a real-world, outdoor treasure hunting game using GPS-enabled devices. Participants navigate to a specific set of GPS coordinates and then attempt to find the geocache (container) hidden at that location. Try it near you.

82p

75p

Use and the internet to find out about archaeology, archaeologists, archaeological sites and artefacts from the Indus Valley. Create a poster or non-chronological report to record your findings. Include images if you can. When finished, share with your teacher online.
