

How it Works

Each holiday you simply need to pick your homework, aiming to spend at least £4.75 in total.

St Anne Term 3 Pick n Mix

Homework should be handed into school on the first day back in the new term. Please make sure you have your name on them.

From Miss Williams.

Imagine that you have just experienced an earthquake. Write a short story about what happened. Use topic vocabulary to describe the strength of the earthquake, such as tremor, epicentre, magnitude and seismic wave.

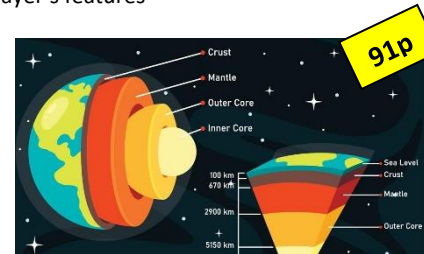

62p

Create a fact file or non-chronological report about Pompeii and the eruption of Vesuvius. Include subheadings, bullet points, paragraphs and all the key information that you have learned and anything else you have researched.

65p

Create a model of the layers of the Earth using a range of materials. Label each layer and write a short description about each layer's features

91p

Take a brain break and practice some basic yoga and mindfulness. Look at YouTube videos to help you.

84p

Take a walk with your family and take pictures of your seasonal finds. Write a diary and tell me, how does nature change each season?

51p

Design, draw and colour me a picture of something beautiful that you have seen today.

64p

Greta Thunberg started her environmental campaign at 7 years old! Make a poster with your pledge to save the environment, outlining what you are going to do!

57p

Rock Research
Choose a rock and create a fact file about it. Include where it is found and what it is used for.

Listen to the song 'Three Little Birds' by Bob Marley and create a piece of art inspired by each section of it. Think about how the mood changes in each of the different sections of the song.

£1.00

Find the latitude and longitude coordinates for 10 places around the world. Record the places and coordinates in a table.

39p

Spend the day finding different shapes to measure around your home. Find the perimeter of them.

42p

Write a poem on the theme of volcanoes. You might like to write about an eruption, a specific volcano that you have learned about or the damage caused after a volcanic eruption. Try to include expanded noun phrases in your poem. For example, scorching hot, exploding lava or jet-black clouds
